Course Wrap-up

[Bookmark this page](#)

Congratulations! You've completed **DAT207x: Analyzing and Visualizing Data with Power BI**! We hope you've enjoyed learning as much as we did creating and delivering this course. We would love to hear from you! Please take some time to complete the post-course survey. In addition, we'd appreciate if you could leave a [review](#) for this course. We hope to see you again in future courses from Microsoft and edX!
